

Smashing the Glass Ceiling to Bits!

If you are a woman in business, you've felt the subtle (and sometimes not so subtle) impact of not being "one of the boys". **How much more you could gain if you only knew how to minimize the impact of gender bias?**

Have you ever felt...

- Angry at being unheard and dismissed by your male coworkers?
- Stretched beyond capacity trying to balance home, job, and kids?
- Frustrated at trying to get a fair deal?
- Tired of being passed over for promotion?
- More competent than others give you credit for?

This session is designed for those of you who want to get ahead in business and are confused as to why your achievements aren't being recognized. Dr. CJ Rhoads has experienced your pain, and will share the secrets of successfully climbing the ladder in corporate America.

Find out what is blocking you from succeeding, and how to get around it. You will come away from this session with practical relevant ideas for increasing your income and decreasing your stress..

Listen to what some people say about her talks and contributions to their lives:

CJ has a way of connecting with her audience and her enthusiasm is contagious. What an inspiring morning! Carol Hovis

Informative and spellbinding. Did you notice, one could have literally heard a pin drop.

More, please. D.M. Hamlin

That was the best talk I have ever heard. Ruth Daley
